

2. 6 C. 10. 11.

Curious scrutator of all nature,
 I have seen gold thick in the depths of the double mercury.
 I have seized its substance and surprised its changing,
 I explain by that art the soul with the womb of a mother,
 Make its home, take it away, and as a kernel
 Placed against a grain of wheat, under the humid pollen;
 The one plant and the other vine-stock, are the bread and wine.
 NOTHING was, God willing, NOTHING became something,
 I doubted it, I sought that on which the universe rests,
 NOTHING preserves the equilibrium and serves to sustain.
 Then, with the light of praise and of blame,
 I theyighed the eternal, it called my soul,
 I died, I adored, I knew NOTHING *more*."

FAQ:

Where Humans came from?

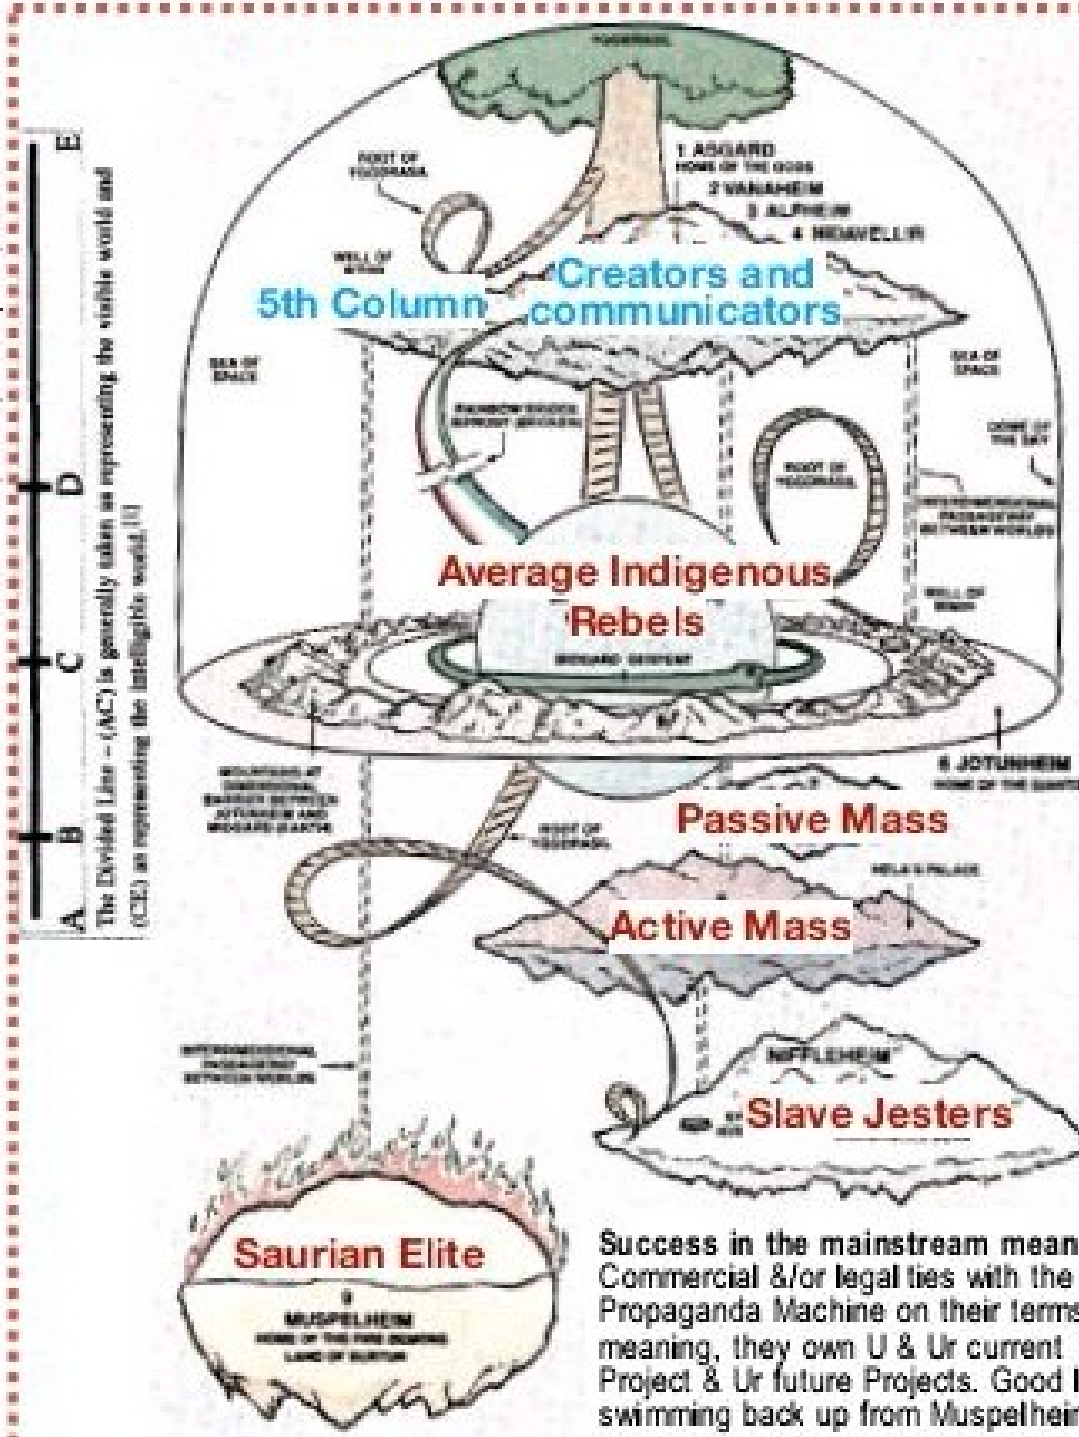

Terra is located at Metatron, a Binary Universe. This means, everything is binary, everything is created in a binary way, so there is always 2 opposite answers both equally True.

Binary Stars, binary evolution:

- Humans organically involuted from birds: mythologically, angels who lost their wings. This are Independent Humans, able to risk it all for an ideal, and they will never conform to injustice and non-sense.
- Human synthetically created by reptilian razes to serve them. As dogs, they are fully dependant on their master and their mind grows no further than a 8 year old indigenous Human. The status-quo is who they are and their enemy is not the tyranny but agent of change.

Analogy of the divided line, Platon, The Republic, book 6.

THE DARK AGES ARE BASED ON WHITE PRIVILEGE:
WHITE PRIVILEGE MEANS "GENOCIDE FRIENDLY"

FAQ. Why to choose a dysfunctional family?

➡ To be raised with discomfort enables U to be an independent person that can build a Life, instead being a spoiled brat that never leaves the comfort home zone, a red flag for interesting successful people and good persons in general.

TIP TO AVOID STT & LOOPING:

Heal before having children so they do not have to heal from having U as a parent.

For a functional family that does not turn U into a self-absorbed genocide-supporter, renounce to White Privilege & choose parents from a vanishing tribe or a far away land.

5 PARENTING STYLES

CHOOSE YOUR PARENTS

CHILDHOOD LIFESTYLE = ADULTHOOD BOUND*

IT IS NOT UR FAULT, IT IS UR JOB TO USE IT.

* CHILDHOOD WOUNDS:

You look for your parents unconsciously or consciously repel anything similar.

Example:

"I drink because my father was an alcoholic, drunkards make me feel at home."

"I do not drink or stand drunkards because my father was an alcoholic and they remind me of the hell I lived."

THE DARK TRIAD

UNCONSCIOUS EXISTENTIAL AGONY

DARKNESS AS A MEANS OF LIFE

Dark Triad theory is for therapists. UR job is to analysed Urself, to stay away from lower beings that bring no good anywhere.

Uncontrolled empathy is self destructive.

THE HURTFUL:

Unhappy, frustrated, mediocre and envious people, unable to learn from their mistakes:

**back stabbers,
abusers,
exploiters,
impostors,
takers, reckless.**

FAQ:

- What do I answer first: origins, powers or mission?

- The process, is up to you. You can read any page first, let your intuition and your current situation guide you.

You need to do what works best for you in order to get the result that works best you.

Focus on the dance of yourself. To what tune will you dance, and to what magic will you perform, and to what heights will you be willing to push consciousness, to give it a new definition of possibilities. -

THE 2 MAIN TYPES OF INHABITANTS OF THE LOWER WORLD

Malignant Vampirismo: SUPER SECONDARY	Classic Egocentrismo: SINGLE SCENE
<p>única motivación: el sadismo. único placer en la vida: tu sufrimiento y su supremacía.</p> <p><u>El villano irrelevante:</u> <u>la maldad como protagonista.</u> Una disertación sobre el mal y la locura, donde el argumento no son los logros personales del villano.</p> <p>La sonrisa del vampiro: su objetivo es destruir al prójimo y miden su felicidad en base al sufrimiento que causan. Hacer daño a los demás es su forma de conseguir cierta paz interior.</p> <p>Su enemigo es quien no se deja chupar la sangre, ni aplaude sus maldades.</p> <p>No tienen reflejo, ellos son el reflejo.</p> <p>No soportan la bondad porque les recuerda su miseria humana. La ridiculizan, tanalizan o infantilizan.</p> <p>Obsesionados con la extravagancia y lo artificial, desprecian lo natural y sencillo, sin conexión con Terra y la Luz.</p> <p><u>Peace & harmony offend them:</u> <u>Desorden Psicopático</u></p> <p>Perversos: Incurable, solo cambian a peor. Empatía = Oxytocina: no segregan esta hormona, base de la biología Humana.</p> <p><u>Sin capacidad orgánica para conectar con emociones superiores.</u></p> <p><u>Sin interior, ni intereses.</u> Consciente: No quiere dejar de dañar, no se pregunta si es el problema. Ausencia total de culpa y autocrítica, alto intelecto sin desarrollo de conciencia.</p>	<p>única motivación: sí mismo. único placer en la vida: tu validación y su self-indulgence.</p> <p><u>Tirano sin calidad de "villano":</u> <u>ni antagoniza ni protagoniza.</u> Un villano es un ser complejo que tiene un objetivo mayor que sí mismo, como exterminar a la mitad de la raza humana para equilibrar el Universo, no ahogarlos a todos en una patata cósmica porque no le hacen caso (grow up!).</p> <p>Los villanos interesantes tienen motivaciones que podemos entender, aunque no compartamos en absoluto.</p> <p>El egocentrismo es aburrido, es la zona de confort como horizonte. Moverse solo por egoísmo, es un guion con un conflicto irrelevante, sin goals ni stakes. Limita a repetir lo conocido y a relaciones superficiales que vacían aun más.</p> <p>Pueden ser positivas, divertidas y amables, pero si se ven en la necesidad de hacer un mínimo esfuerzo por algo/alguien, se vuelven extremadamente nocivas.</p> <p><u>Peace & harmony only while they gain:</u> <u>Trastorno de la Personalidad.</u> Trastornados: Pueden repararse con voluntad de cambio, al ir terapia y desarrollar empatía (es poco probable).</p> <p><u>Con interior e intereses.</u> Inconsciente: No piensa en el daño que causa, le daña hacer algo gratis. Ausencia de relevancia: Su delirio solo es interesante como alivio cómico puntual.</p>
